

Freedom Trail 's 2003 Cuboree Call for Volunteers

Boy Scouts, Scouters & Parents of Cubs
your help is needed at the
Adventures in Cub Scouting
At Carousel Park on May 17, 2003

We expect a large turnout as prospective Cub Scouts and siblings are invited. We need help of Adult Leaders, Boy Scouts, Crew members and parents. We need the names ASAP of leaders and parents who are Police Officers, EMTs, Paramedics, nurses and doctors that can help us at the Cuboree.

We will also need adult leaders (Cub Scout, Boy Scouts and Venture) to help run activities and logistical and safety functions during the event. Boy Scouts*, and Crew members are welcome to help on Saturday May 17th. Being local, we need them for just the day.

Opportunities include:

- Running or assist in running an event on May 17th
- Planning the event
- Pre-Cuboree support such as punching holes in leather
- Pre-Cuboree set-up on May 16th and early May 17th
- Logistics support such as parking
- Food Service support such as setting up for and serving food, clean-up
- Helping at the campfire
- Helping at the religious service
- Helping at opening and closing ceremonies

And much much more! Come for the day and join the fun as these Cub Scouts experience the great outdoors. Some will be camping for the first time!

Sign-up by filling out a Staff Registration Form!

*The Boy Scouts should be 14 years old or older and 1st Class and above. We anticipate a large crowd that requires their maturity. We will not be able to accept Webelos Scouts as helpers at the event this year. They may help in the preparation.

This years Cuboree is an organized Cub Scout overnight event for Tigers, Wolves and Bears, Potential Cub Scouts and their families. As a Pack, the cubs spend Saturday in fun events around a theme (e.g. Huckleberry Finn) and at the same time complete some cub scout achievements. The day concludes with dinner, religious service and campfire. After sleeping in tents or cabins, the cubs have breakfast (optional) and participate in the closing ceremony.
